2012 – 2013 BUDGET MESSAGE

Fellow Taxpayers:

We are pleased to report that our 2012 – 2013 Budget reflects no increase in Village property taxes for the second year in a row. Your Board of Trustees, all volunteers, managed this through careful expense management, competitive bidding for outside services and making long-term commitments to our vendors in exchange for low costs. The level of volunteer service in our Village is also a big factor in keeping costs down. In all cases, our priority has been to maintain a high level of service to residents.

The 2012 – 2013 Village Budget continues the path of fiscal restraint as follows:

- Fiscal year ended May 31, 2011: Tax decrease 15%
- Fiscal year ending May 31, 2012: No tax increase
- Fiscal year ending May 31, 2013: No tax increase.

In addition, our “rainy day fund” is healthy and this year we are identifying funds to be earmarked for future capital projects. To support that, we formed a Capital Projects Committee to look into the future, understand our long-term needs and make sure our financial resources are in place.

Did you know? Few people know that our Village taxes are actually lower than the taxes you would pay if you were in unincorporated Manhasset. Your County/Town tax bill excludes sanitation, snow removal, roads, lighting, etc. which the Village provides and our total Village tax for these services is actually *less* than people pay for this outside of our Village. You can see the accompanying analysis.

Lastly, the total Assessed Values of all Village homes for the new tax year decreased by 9%. With no increase in the tax levy, the tax rate applied to this 9% lower value increases by approximately 9%. As such, *your individual tax bill should show no increase from last year* but may vary (up or down) due to changes in the assessed value of your home by Nassau County. If you did significant building or renovation, your assessed value, and taxes, may have increased.

Sincerely,
INCORPORATED VILLAGE OF PLANDOME HEIGHTS
