Message from the New Mayor

Thank you for your support and confidence in the election. After serving as Trustee responsible for Budget and Finance for four years, I accept the responsibility as Mayor with humility and a promise to serve to the best of my ability.

Most of all, however, I am thankful to have all five current Trustees continue their extraordinary service. Together, in these last four years we have worked to:

- Reduce our expenditures
- Lower our taxes,
- Strengthen our "rainy day" funds and
- Maintain the high level of services that residents expect.

We are so fortunate to have this group of skilled, dedicated volunteers to be our Trustees.

We are also fortunate to have Lynne Aloia elected Trustee. After a career in business, Lynne became fully engaged in her sons' activities as a Scout leader, Catechism teacher, SCA leader, President of the MHS Backstage Parents and as a Board member of Manhasset Student Aid. Lynne and Mark and their two boys have lived in Manhasset since 1998 and in Plandome Heights since 2003. Welcome aboard Lynne!

We also welcome Phyllis Sternemann as Village Historian. Additionally, I have appointed Dan Cataldo to a new Citizens Advisory Committee on Finance. Welcome Phyllis and Dan!

We are grateful also for the continued service of our Board Chairs (Marion, Gene, Richard and Trey) and all our volunteers as well as our terrific staff, Marianne, Ann and Ed.

My goals are simple: keep our operations lean, our service friendly and responsive and our taxes modest. One important new project is a Capital Plan to look into the future, understand our long-term needs and make sure our financial resources are in place. We have begun that work with a road management survey recently completed by our consulting engineers.

Our Village's future is bright at a time when other governments are struggling. I look forward to the service ahead.

Sincerely,

INCORPORATED VILLAGE OF PLANDOME HEIGHTS

Mayor
