**Mayor Riscica at “State of the Town” Address  
 Visits with Supervisor Bosworth**

On January 29, 2016, Town of North Hempstead Supervisor Judi Bosworth gave the annual “State of the Town” address at the Clubhouse of the Town’s Harbor Links Golf course in Port Washington.

The event was attended by several hundred County, State and Municipal Officials including half the Mayors from Manhasset/Port Washington. Supervisor Bosworth reported that the state of the town remains strong with many positive accomplishments and developments. The Supervisor also noted important things that “did not happen,” like NYC accessing our groundwater aquifer and casino gambling proposed in Westbury.

The event included a luncheon prior to open seating for the address. Mayor Riscica joined the meeting for the address and had the opportunity to visit with Supervisor Bosworth prior to her address. They spoke about the state of the Town as well as

several environmental issues including a new \$1.5 million grant to clean up the wetlands around Leeds Pond from damage due to Storm Sandy, the repair of the culvert on Plandome Road at Leeds Pond and the status of the Plandome Pond Park Project adjacent to Plandome Heights.
