**Trustee Lawrence Bourguet To Retire From
 Plandome Heights Board After 7 Years of Service**

March 12, 2015 – At their March 2015 meeting, the Trustees of the Village of Plandome Heights honored Trustee Lawrence Bourguet with a Proclamation recognizing his seven years of service as a Trustee as he retires from office.

Mayor Kenneth C. Riscica presenting a Village Proclamation to Lawrence J. Bourguet recognizing his seven years of service as a Trustee in Plandome Heights

Lawrence J. Bourguet is a Manhasset native; he grew up here, attended school here and moved to Plandome Heights in 1990 where he still resides. By training and profession, Lawrence Bourguet is an engineer who manages large and complex construction projects. With his background in business and engineering, Lawrence Bourguet was appointed a Trustee of the Village in 2008 to replace a retiring Trustee. He has since been elected three times and served as Trustee for a total of seven years.

During his tenure, Trustee Bourguet has taken leadership over engineering and road projects (large and small), storm drains and has supported the development of our road survey, capital plan and financial and budget controls. His experience and service has benefited the Village greatly and his work on the capital plan and financial controls lives on. He is valued by all who work with him and by residents.

After completing more than three terms of service, Trustee Bourguet has decided to retire from the Board of Trustees. His service, wisdom and insight will be missed by all who work with him.
