The program affects many of the roads in the Village including The Neck, The Waterway, Cove Drive, Willow Court and Shore Road as well as significant repairs to flat concrete road and curbs on Plandome Court, Grandview Circle and Summit Drive. The project is discussed in further detail in Village Press Releases dated September 12, 2016 and May 1, 2017 ( [www.PlandomeHeights-NY.gov](http://www.PlandomeHeights-NY.gov) ). The work is led by Sam Stasi of our contractor, Roadwork Ahead Inc. of Westbury and the project engineer is D&B Engineering of Woodbury.
