

Street Name Sign Project

2013 - 2015

Update at July 2015

**Inc. Village of Plandome Heights
Street Name Sign Program**

There are compelling reasons to move forward to replace our decorative Street Name Signs with new reflective signs. These include:

- All signs need to be reflective by, I believe, 2016,
- We are behind our peers; our neighbors in Plandome, Plandome Manor, Flower Hill, as well as unincorporated Manhasset, are compliant with the reflective signs now,
- We now have repeatable process for “hardening” poles and signs through design and trial & error over an 18 month period,
- We have the will and capacity to execute, in both staff and an in-place vendor,
- We have surplus funds (and other means) to do the project,
- We have the “volunteer capital” to move now.

The project is can be staged according to priorities and availability of funds as follows:

<u>Key: Priority Groups are:</u>
1 = Very high traffic, main artery - DONE
2 = High traffic, thru streets - NEXT
3 = Interior
4 = Interior low traffic

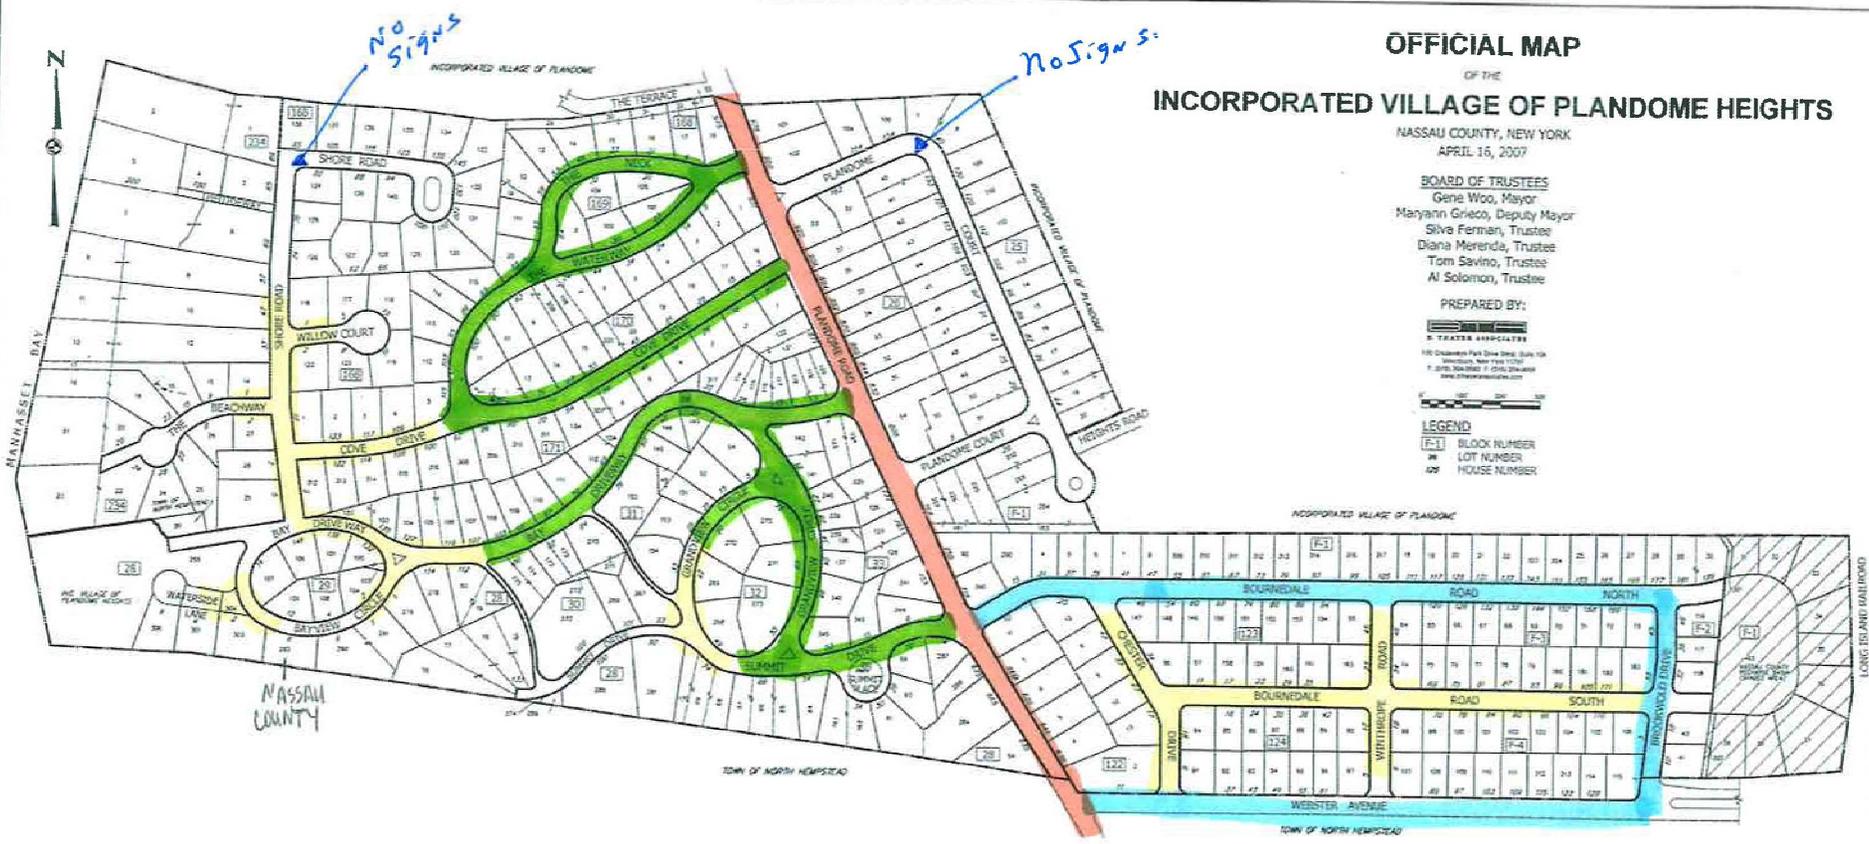

A summary of this project, past, present and proposed follows:
