Dear Village Clerk-Treasurer Drucker:

In 2013, Comptroller DiNapoli implemented a statewide fiscal monitoring system to identify local governments experiencing fiscal stress. This system provides an objective picture of the fiscal challenges facing local governments and school districts so that corrective actions can be taken to avoid a fiscal crisis.

This letter is to notify you that as of December 31, 2015, our review of the 2015 AUD (annual financial report) for your Village has been completed. Detailed information about your Village's fiscal stress condition is available on our [website](#) by using the user name and password above.

The table below provides the financial and environmental scores and designations for the most recent and two previous years.

FYE	Financial Stress		Environmental Stress	
	Score	Designation	Score	Designation
2013	3.3%	No Designation	20.8%	No Designation
2014	3.3%	No Designation	17.5%	No Designation
2015	0.0%	No Designation	15.0%	No Designation

We recently conducted a webinar to help local officials understand how to interpret their scores and to prepare for public inquiries and media requests. If you were unable to participate in the live webinar, you may view it [here](#). We also have additional [tools](#) available that you may find useful.

You should be aware that scores will be released to the public in the near future and you may receive questions about your score/designation and any notable changes and trends.

For additional information on scores and designation categories refer to the [Fiscal Stress Report](#). Please contact the Division of Local Government and School Accountability with any questions you may have at (866) 321-8503.

Sincerely,

Tracey Hitchen Boyd

Assistant Comptroller
