PLANDOME HEIGHTS *NEWS*

Plandome Heights thanks Trustee Don Parker for service

On March 4, 2013, the Trustees of the Village of Plandome Heights acknowledged the service of Trustee Don Parker upon his upcoming retirement from the Board

After moving to the Village in 2002, Don Parker became involved in the Village as the Founding Chairman of the Technology Board in 2008. Shortly thereafter, he was elected by the residents as Trustee in 2009. Trustee Parker has been active in advancing the application of technology to Village operations and he has been a strong steward for fiscal responsibility in the Village. Trustee Parker has shown particular interest in “quality of life” issues in parkland and environmental matters by serving as the Village representative to the Manhasset Bay Protection Committee, and by participating in the clean-up and renovation of both the Plandome Heights Preserve and Plandome Pond Park
