**2019 – 2020 ADOPTED BUDGET - MESSAGE**

Fellow Taxpayers:

I enclose our "Adopted Budget" for the fiscal year June 1, 2019 – May 31, 2020 as well as various explanatory analyses. The Adopted Budget calls for an increase in property taxes of 3.5%, about \$37/year per household and complies with our Tax Cap.

We budget with three primary goals in mind: (1) provide the level of service that residents should expect in a community like ours, (2) be frugal in how we spend, (3) "plan beyond one year" so that we prepare for future needs without surprises and (d) comply with the tax cap.

Two matters arise this year that have a significant effect on our budget thinking. First of all, we see a significant risk of losing our pending road grants, \$225,000, and so we need to begin the process of building our capital reserves higher. Secondly, our tax cap expanded from 2.0% to 3.7% (likely a one-time increase) due to the allowed "growth factor" due to the high level of building activity in recent years. As a result, we concluded to use much of our higher tax cap to begin the process of building up our capital reserves.

The Adopted Budget addresses these matters with a "long view" and our property taxes:

- Will show an average annual tax increase over 10 years of just 1.5%, a slight increase from 1.3% over the past 9 years,
- Will remain 1/3 lower, about \$535 per household, than the cost of the same services outside of the Village.
- Will still be nearly 2% lower than 10 years ago; compound annual growth is only 1.5%,
- Will comply with the Tax Cap,

That's right, our taxes are lower than outside the Village for the same services, about \$535 lower per household. This is because, as a resident of the Village, you avoid certain Town taxes such as sanitation, lighting, roads and building for services that the Village provides. Our cost of service for these items is 1/3 lower, about \$535 per household, than the Town. This is because of we can and do make extensive use of (a) volunteers in Village government and (b) private contractors for services. So, thanks to over 30 volunteers who serve on our various Boards without pay.

The expected loss of \$225,000 of road grants is a significant development and creates a new financial challenge. While we try to restore, or get new grants, we need to examine the effects of the loss over an extended time. The increase in taxes this year is a "down payment" on that, but more work and analysis needs to be done to better understand the effect on our long term.

Some analysis is provided on the following pages for your information and analysis.

Sincerely,  
INCORPORATED VILLAGE OF PLANDOME HEIGHTS

### Development of the Tax Rate

Our 2019 – 2020 Budget reflects a 3.5% increase in Village property taxes (the Tax Levy) as follows:

	<u>2019-20</u>	<u>2018-19</u>	<u>%</u>
Projected expenditures	\$ 474,300	\$ 467,000	
Projected revenues/sources	<u>\$ 129,300</u>	<u>\$130,000</u>	
Property tax levy	<u>\$ 349,000</u>	<u>\$ 337,000</u>	3.5%

Aggregate Assessed Values*	\$ 669,000**	\$ 686,000	(2.0)%
Tax Rate per \$100 Assessed	\$52.15**	\$49.48	<u>5.5%</u>
			3.5%
			=====

\*The Assessed Values are preliminary and are provided by the Nassau County Assessor and are used to allocate the total Village Tax Levy to individual homes. The Aggregate Assessed Value of all homes in the Village was approximately 2.0% lower this year than last tax year. As a result, the Tax Rate goes up by approximately 5.5% in order to account for the 2.0% lower value + the 3.5% increase in taxes. Therefore, this 5.5% higher rate is applied to a 2.0% lower assessment so *your tax bill should change by the tax levy increase of 3.5%*. But your tax bill may vary (up or down) from the 3.5% increase due to: (a) whether your assessed value changed by more or less than the average, (b) any tax assessment grievance adjustment you may have received and (c) whether or not you did any building or renovation which increases your valuation.
