April 6, 2021

Dear Residents,

I write to bring you up to date on our LED streetlight program.

The Village has studied exterior LED lighting for years. The technology and cost have now matured to a point that we believe it is appropriate to move ahead with the conversion of all of our streetlamps to LED lamps. To that goal, we have had “test lamps” in the Village starting 2 – 3 months ago. We now have test lamps at five locations* so that we, and you, can evaluate them and residents can provide input.

At last night’s Annual Meeting, the Trustees authorized me to move ahead with receiving a proposal, for action at our May meeting or before, to replace those lights. In that regard, I write to invite you to provide your feedback on the new lights from your review of the test lights. Most comments from residents have been positive and some have steered our thinking to one or more style and intensity of lamp over the others.

You can provide your comments any way you like; email me at Mayor@PlandomeHeights-NY.gov or call Village Hall (516 627 1136) and leave word with the Clerk or ask the Clerk (Clerk@PlandomeHeights-NY.gov) for time on my calendar in “Office Hours with Mayor Ken” (which are 11 – 1 on weekdays).

Our LED program is fully funded so there is no impact on your property taxes.

Sincerely,
INCORPORATED VILLAGE OF PLANDOME HEIGHTS

Kenneth C. Riscica
Mayor

* Locations of the LED test lights

- 25 Bay Driveway
- 99 Bournedale Road North
- 86 Cove Drive
- 9 The Neck
