Town Paves Webster Avenue and Orchard Street

June 30, 2015 – A while back the Village, in cooperation with Greater Manhasset Council of Civic Associations, requested that Webster Avenue in our Village and Orchard Street where Village Hall is located be repaired. Webster Avenue and Orchard Street are Town roads.

In response to our initial requests, we were told that Orchard Street was on the project calendar for 2016 and Webster Avenue was not on the calendar. We asked that the Town reconsider these dates and accelerate the projects given the damage these roads sustained in the harsh winter. Supervisor Bosworth and our Councilwomen Dina DeGiorio and Anna Kaplan did just that and these roads were paved in late June.

Commenting on the matter, Mayor Kenneth C. Riscica said, "The Village enjoys a great relationship with the Town and we have expressed our appreciation to Supervisor Bosworth and our Councilwomen Dina DeGirogio (District 6 including the Village) and Anna Kaplan (District 4 including Village Hall) for their follow through and commitment to our residents."
