Subject: Scheduled Meeting February 1, 2021

Village meetings are generally scheduled for 7:30 PM (we used to start meetings at 8 PM). I feel that the Boards rescheduling the time earlier to 6:00PM on February 1st is solely to prevent many residents from participating, whether via Zoom or in person.

In a pre-Covid world, many in our village would be commuting home at this hour. Most residents are probably preparing dinner for their families (do you know any kids who want to be fed at 8-8:30 PM???)

Regardless of the meetings agenda, the primary function of these meetings is to serve the residents of the Village. I do not think the village is best served by this scheduling decision.

Sincerely,
Bart Giusto
