The Boy Scouts of America (now, Scouting America) was founded in 1910 by Theodore Roosevelt. It is one of the nation's largest and most prominent values-based youth development organizations providing a program for young people that builds character, trains them in the responsibilities of participative citizenship, and develops personal fitness. Hundreds of boys in Manhasset have benefited from the timeless skills and values instilled by the Scouting program, including scores of youth residents of Plandome Heights,
