The new facility consists of over 28,000 square feet consisting of exam/treatment rooms and diagnostic equipment. It will be staffed by scores of physicians and medical professionals. The new facility is also expected to relieve some of the congestion at St. Francis Hospital and Heart Center and its related Vizza Pavilion on that campus.

Mayor Kenneth C. Riscica commented, “St. Francis Hospital/Catholic Health System is one of several premier healthcare providers in our region of Long Island delivering outstanding care and outcomes for local residents. We appreciate the leadership of St. Francis/Catholic Health in reaching out to community leaders to share their progress and to seek our input. It was an honor to celebrate their growth and success.”
