Bill \_\_ of 2025

Local Law \_ of the year 202

*(Insert Title)*

A local law amending § 82-1, "Written notice required," of Chapter 82, "Notification of Defects," to specify method of delivery of prior written notice of defect as condition to liability of Village in certain actions

Be it enacted by the Board of Trustees of the  
*(Name of Legislative Body)*

County  
City  
~~Town~~ of Plandome Heights  
Village

**Section 1. Legislative Findings.** The Board of Trustees of the Village of Plandome Heights has determined that the health, safety and welfare of the Village and its residents is served by amending Village Code Chapter 82, "Notification of Defects," to include express provisions addressing the manner in which prior written notice of defects must be delivered to the Village in order to allow a cause of action to be commenced against the Village for personal injury or property damage alleged to result from the defective, out-of-repair, unsafe, dangerous or obstructed condition of a Village highway, street, crosswalk, bridge, culvert, street marking, sign or device or any other property owned, operated or maintained by the Village.

The Village is protected by the prior written notice of defect requirement applicable to all villages in the State of New York under New York State Village Law § 6-628, in addition to Village Code Chapter 82, "Notification of Defects." However, the New York Court of Appeals, in its 2024 decision in Calabrese v. The City of Albany, held that delivery of notice by email can suffice as effective notice if the applicable prior notice of defect law merely requires a prior written notice, without more specific direction as to the manner in which such notice must be served on the Village. Neither Village Code Chapter 82, "Notification of Defects," nor New

York State Village Law § 6-628 contains specific direction as to the manner in which written notice of defect must be delivered to the Village.

The Board of Trustees believes that clear direction as to the manner in which such a notice is delivered to the Village is necessary in order to assure that the Village receives same in a manner that enables the Village to focus its attention and resources effectively, and to avoid the possibility that such a notice is lost among many other forms of written communication submitted to the Village from time to time, including, for example, email messages and social media posts.

The amendment of the Village Code to establish the manner in which such notices must be delivered to the Village in order to be effective will protect the Village, its residents and its taxpayers to the extent the law allows from exposure to personal injury and property damage tort claims, both by deterring the commencement of actions based on such claims and providing a cost-effective defense to any such actions that are commenced.

**Section 2. Authority.** This local law is adopted pursuant to New York State Municipal Home Rule Law § 10.

**Section 3. Amendment of § 82-1, “Written notice required,” of Chapter 82, “Notification of Defects.”** § 82-1, “Written notice required,” of Chapter 82, “Notification of Defects,” of the Village Code of the Village of Plandome Heights is hereby amended to read in its entirety as follows:

“§ 82-1 Written notice required. No civil action shall be maintained against the Village for damages or injuries to person or to property, including those arising from the operation of any mechanical or transportation device or equipment, sustained by reason of any highway, street, crosswalk, bridge, culvert, street marking, sign or device or any other property owned, operated or maintained by the Village being defective, out of repair, unsafe, dangerous or obstructed unless, before the occurrence resulting in such damages or injury, (a) notice of such defective, out-of-repair, unsafe, dangerous or obstructed condition of such highway, street, crosswalk, bridge, culvert, street marking, sign or device or any other property owned, operated or maintained by the Village was delivered to the Village Clerk at Village Hall located at 37 Orchard Street, Manhasset, New York 11030, in the form of a written physical hard copy, manually subscribed, and (b) the Village failed or neglected to repair or remove the defective, unsafe, dangerous or obstructed condition within a reasonable time after receiving such notice.

No such action shall be maintained for damages or injuries to person or property sustained solely in consequence of the existence of snow or ice upon any highway, street, bridge, culvert or any other property owned by the Village, unless (a) notice thereof relating to the particular place was delivered to the Village Clerk at Village Hall located at 37 Orchard Street, Manhasset, New York 11030, in the form of a written physical hard copy, manually subscribed, and (b) the Village failed or neglected to cause such snow or ice to be removed or to otherwise reasonably make safe the place within a reasonable amount of time after receiving the notice. Notice of a defect submitted via email, the Village’s website, any service, website, or application the Village uses to allow the public to submit reports or service requests to the Village, comments on a social

media page maintained by the Village, or any other electronic means does not satisfy the process and procedure for submitting written notices of defect required by this section.”

Section 4. **Severability.** If a court of competent jurisdiction determines that any clause, sentence, paragraph, subdivision or part of this local law, or the application thereof to any person, firm or entity, or circumstance, is invalid or unconstitutional, then such court’s order or judgment shall not affect, impair or invalidate the remainder of this local law, but shall be confined in its operation to the clause, sentence, paragraph, subdivision or part of this local law, or in its application to such person, individual, firm or entity or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

Section 5. **Effective Date.** This local law shall take effect immediately upon filing with the Secretary of State.
