RE: Enclosed **Do Not Solicit** decals

Dear Friends and Neighbors:

Our Village Code restricts solicitors in the Village; this is posted prominently at the various entrances to our Village. Yet various solicitors, professional and other, come anyway. Some professional solicitors litigate to assert their "free speech" right to solicit. Litigation is costly.

In a desire to balance the "free speech" rights of the community with residents' rights for privacy and freedom from trespass, the Village maintains a Do Not Solicit registry of residents. Solicitors seeking permission to solicit in the Village are required to request our Do Not Solicit registry so that they can respect your privacy and not trespass.

Many of us who are on the Village's Do Not Solicit registry still get solicitors, particularly at this time of year. To assist in mitigating unwanted solicitations at your home, we have developed, and are enclosing, a Village Do Not Solicit decal for your use. Displaying the decal is one way, among others, to warn others not to trespass on your property.

The decal is made of durable vinyl, is 3" by 3" and it works like your car inspection or license decal in that it faces out through the glass, however is removable and reusable.

Sincerely,
INCORPORATED VILLAGE OF PLANDOME HEIGHTS

Ken
